Hi Lamont,

Roy Austin referred to me your email containing a letter from Judge H. Lee Sarokin of October 30, 2015. I write to confirm receipt of that letter, and to let you know that the information has been forwarded to the Office of the Pardon Attorney at the Department of Justice. More information about the Office of the Pardon Attorney can be found here, <http://www.justice.gov/pardon>, including information about the clemency application and review process.

Thank you, and please do not hesitate to contact me with any questions or concerns.

Josh
