Dear Mr. Grabowski:

The Denver Division of the Federal Bureau of Investigation has received your letter, with attachments, regarding matters related to Narasimha S. Prasad and Gary L. Walker, who work for Demetrius Harper doing business as DKH Enterprises. You asked for our assistance in this matter.

We regret to inform you that we are unable to assist you in this matter and therefore no investigation will be conducted by the Federal Bureau of Investigation. However, the FBI has made it a matter of record. We feel this case would best be handled civilly, and have noted that you have initiated legal action against the company and Mr. Harper.

We hope this will help you in your quest for a solution to the matter.

Sincerely yours,

RICHARD C. POWERS
Special Agent in Charge
